**Saves more green! \$**

The rapid! PayCard team will provide your school with the most comprehensive Pay Card and ePayroll offering available. The rapid! PayCard mission is to help our clients achieve a legally compliant 100% ePayroll program

We start with a foundation of industry leading technology and full compliance support then ensure a successful ePayroll transition by DELIVERING MORE than just a financial product.

**Our mission:** Deliver legally compliant 100% ePayroll programs that benefit our clients financially, improve the lives of all employees, and create a more sustainable environmental model for payroll delivery.

rapid! PayCard specializes in ePayroll solutions. The rapid! PayCard team uses developed tools and methodologies to completely and effectively train, support and communicate the value and benefits that you are providing with the rapid! PayCard to ensure ePayroll success.

## employer OVERVIEW

- **EXTENSIVE TRAINING SUPPORT** – rapid! has a complete training program for our clients, from the payroll department to the employee/cardholder, that utilizes on-demand video, providing general information, feature-specific instructions, and ‘how to’ tips, coupled with live instructor lead training delivered over the web.
- **CUSTOMER SUPPORT** - rapid! provides the best customer experience possible through unlimited cardholder and client support.
- **COMPLIANCE** - The rapid! PayCard team are experts in the complex area of prepaid card compliance and federal and state payroll regulations, and work vigilantly to ensure the paycard product features and deployment strategies are compliant with applicable regulations at the time of launch and throughout the life of your program.
- **ADOPTION SUCCESS** - rapid! monitors adoption of the ePayroll program through key metrics, identifying road blocks as they occur and makes immediate implementation improvements as needed.

This combination of technology, training, marketing, and support provide the best choice for your Pay Card and ePayroll offering.

## employee OVERVIEW
